

# Scatter Creek Wildlife Area

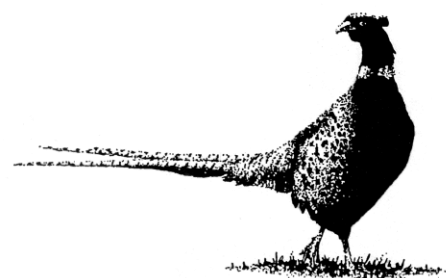

## North Tract

The Scatter Creek Wildlife Area contains some of the last remaining native grasslands and oak woodlands in western Washington. In order to protect these rare habitats and facilitate compatible public use opportunities, the rules and conditions listed below are in effect. Additional regulations apply per Title 232 WAC.

- Foot traffic and horseback riding only.
- Shotgun use only. The discharge of other firearms is prohibited.
- Horseback riding is restricted to the designated trailhead and trail located at the 16810 Case Road parking area.
- Prohibited (except by WDFW permit):
  - Overnight parking or camping
  - Collection of plant materials
  - Open fires
